

JOSH PITTMAN

Alexandria, VA | [linkedin.com/in/joshpittmancode](https://www.linkedin.com/in/joshpittmancode) | github.com/pittmanjosh

Josh Pittman is full-stack software engineer actively seeking employment. Having successfully transitioned from cruise ship musician to full-time software engineer, Josh has demonstrated his ability to learn and thrive in any context. Working as an engineer within a healthcare startup onboarding team taught Josh how to respond to user insights to achieve strategic business objectives in a fast-paced, collaborative, remote environment.

WORK EXPERIENCE

ASSOCIATE SOFTWARE ENGINEER, FAVOR – 2022

FRONTEND

- Wrote, sized, and completed engineering tasks based on product-defined user stories while tracking and documenting work in JIRA for an Agile team centered around the user onboarding experience.
- Developed, maintained, reviewed, and deployed responsive TypeScript React code in a fast-paced environment.
- Led investigation into the suitability of implementing an in-house or off-the-shelf chatbot tool.
- Created reusable components to provide a consistent user experience throughout application contexts with strict and unique business requirements including HIPAA compliance.

BACKEND

- Refactored the backend-defined user questionnaire by updating the SQL database, Java integration tests, BPM diagram, and Groovy business logic scripts.
- Increased code legibility by documenting business processes and simplifying the BPM diagram.

FREELANCE WEB DEVELOPER, HELP BY KATE – 2021 - PRESENT

- Built and deployed client websites. Created documentation for non-technical persons to handle automated website maintenance.
- Updated existing web designs using JavaScript, CSS, and Bootstrap components.
- Automated business processes on client websites using CRM APIs.
- Improved user-tracking by implementing Google Analytics on customer's Shopify site.

MUSIC DIRECTOR/BASS GUITARIST – 2013-2021

- Worked for Norwegian Cruise Lines and Carnival Cruise Lines performing Broadway shows *Jersey Boys*, *Kinky Boots*, and music directing *For the Record Live: The Brat Pack*.
- Performed throughout the mid-Atlantic region for a variety of musical acts including Grammy Award-winning Kareem "Lil' Maceo" Walkes.
